

## Urgent Appeal: Winter Clothing for Iraq

Please donate:

- New & used winter clothes (adult/child/baby)
- New underwear only
- New & used winter shoes (polished) & welly boots (adult/child)
- New & used sleeping bags & blankets
- New & used mattresses (stain free)
- Wheelchairs, Zimmer frames and crutches (paired)
- Baby cots/Moses baskets/nappy bags/essential baby items

Everything should be suitable for winter (no summer clothes or shoes please), in **good condition** with working zips, buttons and poppers intact and **RECENTLY WASHED & CLEAN**, from a smoke free environment.

Since January 2014 more than 2 million people have been displaced in Iraq. Many of them are living in tents and unfinished buildings with no walls, windows or heating. They face winter with temperatures as low as -15 living in the high altitude region of Dohuk.

The UNOCHA states that there are 450,000 displaced people in Iraq who are in immediate need of winter clothes and shoes. Many of them fled their homes with no more than the clothes on their backs.

***At least half of these are children.***

This aid will be received and distributed by CAPNI (Christian Aid Program Northern Iraq)

You can help provide humanitarian aid to the people of Iraq by donating to the Iraq Appeal at this link. This will help to pay for the lorry:  
<http://give.agape.org.uk/iraq14>

*Deadline for clothing donations:*
