

Thank God for all the work He is doing across the churches in the borough of Gt Yarmouth, we are blessed to be a part of it.

As you can see most of the work we are doing at the moment is getting alongside the young people and giving them time, listening to them and engaging with them in their own environments on a one-to-one basis or with small groups. However, there is still scope for us to hold our Christmas dinner dance for the young people (Glitterball). This year it will be a week earlier than usual (Saturday 12th December) so the volunteers are not so stretched at this busy time of year. If you would like to help with setting up, washing up, serving or providing desserts, please let us know.

Prayer Diary for October 2015

“How lovely is your dwelling place, O Lord Almighty.
I long, yes, I faint with longing to enter the courts of the Lord.
With my whole being, body and soul, I will shout joyfully to the living
God.”
